BEAUTIFULLY SMOOTH

Are you obsessed with your wrinkles? *Crème Biofixine,* stimulates the synthesis of the supporting tissue thus reducing the depth of the wrinkles.

Protagonists and actions: extracts of green anise and walnut (anti-age), extract of edelweiss (anti-oxidant), oxygenating complex (regenerative), grape seed oil (hydrating). The results? A 40% reduction in crow's feet (after 15 days).

Best applied after the Lotion P50. Biologique Recherche 181.20 euros.
