tinaleung Ohhhh em GEE! No wonder @aka.kimbui and @clowverk go on and on about @biologique\_recherche like there's no tomorrow!! I had just the one hour facial and I already see a huge change. It's not just about the products though, but also the massage! No filter nothing (on my shots), I've filmed the different massage techniques for you all to try at home. (Excuse my sometimes scatterbrained comments please as I'm crazy tired after fashion month.) I am now seriously obsessed!! 🌟🌟🌟 #addictionis
