Biologique Recherche Lotion P50W

£61, embassyofbeauty.co.uk

They say Lotion P50W exfoliates, regulates the pH of the skin and hydrates, leaving skin feeling softer, clearer and more uniform.

We say The pungent smell of this tonic has been compared to vinegar and hot-dog water. That it's still considered to be a cult classic goes some way to explaining the efficacy of this unremarkable-looking product. French beauty editors call it a facial in a bottle, and although it isn't necessarily a pleasure to use, you can't deny that it really packs a punch. My skin felt squeaky clean, glowing and hydrated all at once. The "P" stands

for peeling, and the lotion aims to renew the skin over 50 days, but you'll see
